Video Production Studio: It is a futuristic studio set up to provide hands-on learning experience in video production, facilitate news bulletins, interviews, and discussions for television programs by students of the Department of Journalism and Mass Communication. The Studio has a multi-camera setup with two advanced HD video cameras for online editing and Apple Macintosh editing systems with Final Cut Pro editing software for offline editing. It also facilitates the recording of lectures for the development of MOOCs.

Career Counselling & Development Cell: The Cell works towards providing career guidance to university students.

Anti-ragging cell: The anti-ragging cell is responsible for creating awareness among students about the negative impact of ragging and the severe consequences that can result from such behavior. The cell also provides a mechanism for students to report incidents of ragging anonymously and ensures that appropriate action is taken against the perpetrators.

Communication skills development: The students are provided training on soft skill development by internal and external experts. Recently we Launched ACCEPT program.

Health and hygiene: A water Treatment Plant has been established in the institute to neutralize the hard chemicals in water. Aqua guard facility available for drinking water. Floor areas, toilets, washrooms, etc., are properly cleaned using appropriate cleanser.

Playground – The playground with lush green grass is available in the institute campus. It is surrounded by green trees. Provision for seating of the audience is made around its boundary.

NSS ROOM: The National Service Scheme (NSS) is a social service program initiated by the Government of India to promote social awareness and community service among young people. The NSS unit of our college is a student-led organization that aims to develop the overall personality of students through community service.

The NSS unit of our college is actively engaged in various social and community service activities, such as blood donation camps, health camps, tree plantation drives, cleanliness drives, and awareness campaigns on various social issues like health, sanitation, literacy, and women empowerment. The NSS unit works in close coordination with local NGOs and government bodies to organize these activities.

Cafeteria:

The college has a spacious cafeteria which provides hygienic and fresh meals as well as snacks. Special monitoring is done on the quality of the materials served. The eatables served in the canteen are prepared under hygienic conditions and are of excellent quality and a treat for the taste buds. The canteen cell manages the canteen, which in consultation with students takes care of different aspects like hygiene, prices, timings, services etc. The food is served four times which include breakfast, lunch, evening snacks and dinner.
